 Blueline revision by Schawk 03.15.18: blueline name added to AI file

Nexcare™ no hurt wrap

- leaves no residue on skin when removed
- holds gauze, pads and other dressings in place
- tears by hand; no scissors required

For securing wound dressings in place, particularly to sensitive and fragile skin. Nexcare™ No Hurt Wrap adheres tightly to itself, not to your body or clothing. When it's time to take it off, the self-stick wrap comes off clean leaving no adhesive behind.

Indications for use:

- Close wound temporarily
- Cover wound with a sterile gauze pad
- Hold the end of the wrap over the pad
- Lightly stretch the wrap over the pad
- Apply the wrap to the skin with the adhesive side facing out
- Remove the wrap by hand or cut

Warnings:

- Do not use this wrap on facial areas or on open wounds because it may tend to irritate. Do not reuse.

Always read the labels use only as directed. For more information, visit www.3m.com
