

NOTES:

- 1) Artwork files to be provided by engineering services.
- 2) Artwork to be aligned vertically and horizontally. (+/-0.15")(±0.40MM)
- 3) Parts to be supplied on crack and peel labels. There must be three (3) labels per serial number ordered. The labels should be packed so that each set of serial numbers is packed consecutively (ie serial numbers order: ...01, 01, 01, ...02, 02, 02, ...03, 03, 03)
- 4) Artwork to be black unless noted. Hazard symbol prints PMS 109 yellow and Black. "50" symbol prints PMS 159 orange.
- 5) Materials shall be SPC35037 compliant.
- 6) Must be UL/CSA accepted label system.
- 7) Procure from a UL/CSA accepted vendor.
- 8) Smallest package unit or roll core must include MFR name and UL label designation.
- 9) All changes must be approved by compliance engineer.
- 10) Eight (8) digit serial number printing process to be hot stamped or second surface printed per agency approved process. Serial number range will be sequentially printed.
- 11) China product standards number and china medical device registration certificate number will go on separate label.
- 12) Required GS1 and date of manufacture will be printed on separate labels.
- 13) This label will be applied to the analyzer frame and on the outer shipping container.
- 14) Example:

NO. J62934		
CHG. NO. DATE REL.	REVISIONS	DR. BYAPPS.
ECO-32164 17JAN2016	Initial Release	DS.
ECO-32595 17JAN2016	Updated Note 3 to say there are 3 of each serial number, packed consecutively	DS.

Drawing Print: DP117930

Revision: B

Part: J62934

ECO: ECO-32595

Release Date: 8/29/2016 10:57:32 AM

State: Release

PACKAGING

DATUM PRECEDENCE (UNLESS OTHERWISE SPECIFIED) FIRST SECOND THIRD		Ortho Clinical Diagnostics	
UNLESS OTHERWISE SPECIFIED		DR. MG	DATE: 17JAN2016
LINEAR TOLERANCE ±0.40mm	MATERIAL USE MATERIAL SILVER POLYESTER WITH PERMANENT ADHESIVE P/N J08505	DFTG.	DES ENG. Skivington
ANGULAR TOLERANCE	FINISH USE MATERIAL SATIN POLYESTER AND PERMANENT ADHESIVE P/N J08551 FOR COLD SEAL MATTE LAMINATION	CK.	MFG. ENG.
DIMENSIONS ARE IN millimeters	<input type="checkbox"/> CUSTOM DRAWING <input type="checkbox"/> NONCUSTOM DRAWING	COMPLIANCE ENG.	
DIMENSIONS APPLY AFTER FINISH WHERE TOTAL TOLERANCE IS .001 (0.025MM) OR LESS AND ON ALL THREADS. IN ALL OTHER PLACES DIMENSIONS APPLY BEFORE FINISH.	SCALE OF ORIG. DWG. 1X	CAD System: Illustrator CS3
