The innovative, gentle, friendly
moisturizing formula gently
cleanses the intimate area, does not
cause dryness, and leaves a
pleasant feeling of freshness:

Organic Rosa Damascene Flower
water from organic roses hydrates
the surface, refreshes, and has
natural anti-inflammatory effects to
help eliminate dryness, irritation,
discomfort.

Glycerin and aloe vera extract -
moisturizing ingredients - help
restore natural elasticity to the
surface of the intimate area.

Re-establish natural balance of
beneficial microflora:
Bioecological agent: biological
agent - a probiotic that protects the
natural epidermal microflora and
neutralizes harmful microorganisms.

Apple cider vinegar extract and
lactic acid: Natural apple cider
vinegar extract combines lactic acid
found in the wash gel, helping to
support beneficial microorganisms,
without affecting the quality of the
natural acidic environment of the
intimate area. Re-establish pH
balance, reduce itching and fungal
infection.
