Mimitakara

Mimitakara most respected hearing aid and hearing amplifier brand in Taiwan, Japan, Europe & USA.

Mimitakara believes in **QUALITY** and **SERVICE** as the company's core foundation. We are the World's First Cloud Hearing Service and are a pioneer in the segment. We design, develop and manufacture all our products ourselves alongside our trusted partners in Taiwan, to ensure that our clients and their family to have the best hearing experience.

Mimitakara believes **EVERYONE DESERVES TO HEAR** and brings high-tech hearing aids and amplifiers to you at factory cost by eliminating intermediary markups with international standards and certification.
